

## Master the digital world

A master's in communication with a specialization in digital media from Lynn University can enhance your career, or open the door to several interesting, high-level media jobs.

With this digital media degree program, you'll study the aesthetics of digital photography, drawing/design theories, image-making, animation, motion graphics and more. Use social media, video production, journalism and digital storytelling techniques to create persuasive messages that target distinct audiences and generate real results. Then, reinforce your work with the latest design software to take your messaging to an entirely new dimension.

## What you'll learn in the digital media degree program

- Advanced digital media skills
- Latest design software
- Digital storytelling, imagemaking, animation and motion graphics

“Lynn was a great place for me to hone my skills and practice them in new and different ways.”

**Zack Caplan '12, '13**

## About Lynn

Lynn University is one of the nation's most innovative and global universities. Located in Boca Raton, Florida, alongside booming business centers and beautiful beaches, we are focused on one thing, **preparing students for success.**

Our professors concentrate on the art of teaching – making good students great and great students remarkable.

Our award-winning iPad®-powered learning puts a transformational learning companion into the hands of students.

And our graduates? They've gained the intellectual flexibility and global experience to take the lead in an ever-changing world.

**We are focused on one thing: Preparing students for success.**
