

Help others make a difference

Are you ready to help others? Enroll in the psychology degree program and get foundational concepts through hands-on learning in areas such as personality theories, abnormal psychology and cross-cultural psychology. Being a psychology major at Lynn means you'll work alongside award-winning researchers and licensed clinicians who will teach you to evaluate, analyze and think critically about human behavior. When your coursework is complete, you'll be prepared for a career in human services or you can use the program as a stepping stone for a graduate degree in counseling or psychology.

This bachelor's in psychology program provides you the opportunity to study abroad or attend professional conferences and present your own research projects. Opportunities like the ones offered here are usually available only to graduate students.

Psychology major information

- Foundational concepts of psychology and ethical decision making
- Writing, research, communication and quantitative skills
- Social, abnormal, developmental and experimental psychology

“A diverse college campus like Lynn exposes students to broader worldviews and allows them to learn from peers and faculty with perspectives shaped by a variety of experiences.”

Gary Villa, dean, College of Arts and Sciences
